

Welcome to Horse & Hound Veterinary Clinic

At HHVC we strive for excellent service for your horses. That includes 24/7, 365 days a year being on emergency call. In order for that to occur, keeping account balances current is our goal for you to ensure services. Our policy is that payment is due upon receipt of monthly statement. There is a \$30.00 late fee per month and 2% monthly accrued charge for accounts over 30 days. For your convenience we accept credit cards, checks or cash. We also have the ability to securely keep credit cards on account.

Please fill out and return to us. This must be completed prior to any services. House accounts/credit is not automatically approved and no services will be performed (this includes emergencies) until it is either approved or there is payment available at time of service.
